Cabanatuan City, Nueva Ecija– A team of Institute of Teacher Education (ITE) students from Manuel V. Gallego Foundation Colleges (MVGFC) soared to victory today, September 21, at the prestigious PARC LETgendary and Final Coaching 2024. The team, composed of Nemia De Guzman, Pauline Adordionicio, Thomas Jargo Aguilar, Hazel Anne Centeno, and Mikayla Angela Patiag, outshone their competitors from NEUST Sumacab, Peñeranda Campus, and the Dr. Gloria F. Lacson Foundation Colleges, securing the championship title.

Their outstanding performance earned them a cash prize of ₱5,000, five full scholarships for review sessions at PARC, five reviewer books authored by the renowned Filipino academic, Dr. Eloy P. Aenlle, and medals of distinction. The awards were personally presented by PARC President, Dr. Annaliza De Los Santos, in recognition of their exemplary achievement.

The competition took place at Nieto Hall, NEUST Cabanatuan City, with the theme "Empowering Minds, Shaping Futures." It was a significant event that gathered aspiring educators and tested their preparedness for the upcoming Licensure Examination for Teachers (LET).

The triumphant ITE students were expertly guided by a committed team of faculty members: Dr. Ingrid F. Calanno, Mr. Lou Santos, and Asst. Prof. Rene Boy Abiva, whose mentorship and unwavering support were instrumental in their success. This victory, however, is not just the result of individual efforts, but a testament to the collective dedication and collaboration of all faculty members within the Institute of Teacher Education, working together to ensure the students' thorough preparation and achievement. ###

*“Sobrang saya po ng experience na ito. Maliban sa marami po kaming natutuhan ay marami rin po kaming nakilala at amin pong naipakita ang klase ng edukasyon na aming nakukuha sa Manuel V. Gallego, at katulad po nito ang isa sa maraming patunay ng #AlagangKalidadAlagangGallegan.”*
